

Special Delivery.

Integrated COTS IC Solutions for MIL-STD-1553

When communication is critical, Holt and Falcon deliver.

As a Falcon featured supplier, our partnership provides you with outstanding customer service, on-going support, and superior products such as the HI-6110.

The HI-6110, a COTS solution which can operate as a Remote Terminal, Bus Controller or Monitor Terminal, includes dual analog 1553 bus transceivers, dual Manchester decoders/encoder and 1553-protocol logic capable of detecting the full range of potential error conditions.

When it comes to MIL-STD-1553 applications, Holt's transceivers are recognized as the industry's smallest, and have the lowest power consumption in their class.

HOLT INC.
INTEGRATED CIRCUITS
